Dear Primary Care Clinician:

Enclosed please find an errata sheet for a correction to the Primary Care Clinician (PCC) Plan Provider Handbook that was issued in August 2006.

The Handbook contained an error in the Health Care for Children, Adolescents, and Young Adults section. The enclosed sheet provides the correct information. Please keep this errata sheet with your PCC Plan Provider Handbook.

The timing of the production of the Handbook prevented us from making the above change before it was printed. We regret any inconvenience this error may have caused.

Sincerely,

A handwritten signature in cursive script that reads "Louise Bannister".

Louise Bannister, Director

Primary Care Clinician (PCC) Plan Provider Handbook (Rev. 08/06)

On page 11 of the Primary Care Clinician (PCC) Plan Provider Handbook (Rev. 08/06), the first bullet **should state “one dental checkup every six months”** where it states “one dental checkup every 12 months.”
